Greetings,

The 2011-2012 school year is off to a wonderful start! In addition to a dedicated group of parents, students, grandparents, and loyal supporters, OUS has an outstanding faculty to lead our school this year. Our teachers are committed to developing life-long learners in a nurturing environment while aiming for excellence in all we do.

We are pleased to introduce to you the 2011-2012 faculty and staff in this edition of *The Eagle's Watch*, our monthly newsletter. I hope you will enjoy getting to know each of our talented faculty members as I have had the joy of doing. If you need anything, please let me know.
